KENDIX

PRISMA 22

Description

A densely woven fabric made from recycled material. The subtly irregular weave structure combined with the two-tone dyed yarns gives the fabric a natural and lively appearance.

Specifications

Part ID	0107280022
Composition	65% gerecycled polyester, 35% polyester
Width (cm)	300 cm
Weight (g/m1)	1068 g/m1
Lightfasness (scale 1-8)	5
Certifications	OEKOTEX
Color variants	17
Shrinkage (%)	1%
Roman blind suitable	Yes

Washing instructions

Industrial washing instructions

Does not apply.
