

STELLAR 44

Description

A multi-colour bouclé fabric, with a grainy, dry look. Contrasting colours in the loops of the bouclé yarn create a surprising colour effect. This weave is constructed with four different tints of yarn that intensify each other and form a flawless unity when seen from a distance. Then you can discern the typical pixel structure that is so characteristic of the Blooming designs.

Specifications

Part ID	0105160044
Composition	53% viscose, 24% polyester, 23% polyamide
Width (cm)	300 cm
Weight (g/m1)	570 g/m1
Lightfasness (scale 1-8)	4
Color variants	7
Shrinkage (%)	3%
